

NextGen University

Introduction to Artificial Intelligence

Program Overview

A beginner-friendly online course exploring the fundamentals of AI, including machine learning, neural networks, and real-world applications.

Admission Requirements

Open to all learners interested in technology and innovation. No prior AI experience required.

Program Length & Credits

A 12-week self-paced online course combining theory with hands-on exercises.

Application Deadlines

Term	Application Deadline
Fall (September)	March 1
Winter (January)	October 1
Spring (May)	February 1

Tuition & Fees (CAD)

Category	Tuition (per year)	Estimated Total (4 years)
Domestic Students	\$7,000 CAD	\$28,000 CAD
International Students	\$20,000 CAD	\$80,000 CAD

Sample Courses

Topics: AI Fundamentals, Neural Networks Basics, AI Ethics and Applications, Intro to Machine Learning

Career Outlook

Participants gain foundational AI knowledge useful for entry-level data and AI roles or as preparation for advanced study.
