

NextGen University

Bachelor of Science (BSc) in Computer Science

Program Overview

The BSc in Computer Science provides a strong foundation in computing theory, software design, and real-world problem-solving. Students gain skills in AI, data systems, and software engineering.

Admission Requirements

Applicants must have strong high school results in Mathematics, English, and one science subject (preferably Physics or Chemistry). Additional requirements may include official transcripts and a statement of interest.

Program Length & Credits

A four-year full-time program requiring the completion of 120 credit hours, including core, elective, and laboratory components.

Application Deadlines

Term	Application Deadline
Fall (September)	March 1
Winter (January)	October 1
Spring (May)	February 1

Tuition & Fees (CAD)

Category	Tuition (per year)	Estimated Total (4 years)
Domestic Students	\$7,000 CAD	\$28,000 CAD
International Students	\$20,000 CAD	\$80,000 CAD
