

NextGen University

Master of Data Science (MDS)

Program Overview

The MDS in Data Science develops expertise in data analytics, machine learning, and big data technologies to transform information into actionable insights.

Admission Requirements

Applicants must hold a bachelor's degree in Computer Science, Mathematics, or a related field, with coursework in programming and statistics.

Program Length & Credits

A two-year program requiring 60 credit hours, including research and practical data analytics projects.

Application Deadlines

Term	Application Deadline
Fall (September)	March 1
Winter (January)	October 1
Spring (May)	February 1

Tuition & Fees (CAD)

Category	Tuition (per year)	Estimated Total (4 years)
Domestic Students	\$7,000 CAD	\$28,000 CAD
International Students	\$20,000 CAD	\$80,000 CAD
